Cary, NC 27511

Dear Principal:

Congratulations! Cary Elementary has earned designation as a Model School in the North Carolina Positive Behavior Intervention & Support (PBIS) Initiative Annual Recognition. The school met all the requirements for this recognition and demonstrated the results that the school and PBIS school team have achieved by working together, using school data to implement research-based practices, and developing supportive systems to teach all students new behaviors.

This year's PBIS Recognition will be part of a PBIS workshop. Banners recognizing your accomplishments will be awarded at this time. In addition, schools earning Exemplar status will be invited to present a poster displaying their PBIS implementation at the workshop. Details about the workshop will be sent in a subsequent email, along with information regarding registering for the workshop.

Thank you for all you do to ensure that all students receive an excellent education. If you have questions or comments, please contact your regional PBIS coordinator or PBIS coach/coordinator Heather Reynolds at 919-807-3313 or heather.reynolds@dpi.nc.gov.

Sincerely,

William J. Hussey
